## **DEXTER HISTORICAL SOCIETY**

President: Carolyn {Corky} Marlowe

Secretary: Sonja Thompson

Corresponding Secretary: Deborah Harmann

Treasurer: Roy Parsons

**Board of Trustees meet at the Dexter Area Museum at 7:00 PM on the 2<sup>nd</sup> Tuesday of each month.**

The goal of the Dexter Historical Society is to make the rich and interesting history of the Dexter area, including Limerick & Pillar Point, readily available to all residents of and visitors to our community. To this end, the Society presents a series of programs and events each year and maintains the Dexter Area Museum, 105 East Kirby Street. It is our goal to open the Museum to the public at regular times each week. To make this possible, we must first complete the sorting & detailed cataloging of the Society's holdings, a task which will require significant time and effort from a team of volunteers. We invite anyone interested in assisting with this task to join with us in our efforts to provide regular public access to the Museum.

The Museum building is now 180 years old. The exterior of the building has been scraped and repainted, the steeple has been repaired, and the bell which previously hung has been removed and mounted on a pedestal beside the Museum, with a big help from our fellow Village DPW. Interior maintenance still needs to be done; and pressure washing will be done to the exterior to remove grime and insects. Plans are being drawn up for The Last Station, a building to be constructed next to the Museum, which will house two old pumpers and other apparatus from the Dexter Volunteer Fire Department. Construction will begin on this building soon. Please consider making a donation to the Dexter Historical Society or to The Last Station project, in care of the Dexter Historical Society, PO Box 231, Dexter, NY., 13634. If you have questions concerning the project, please call **Carolyn Marlowe at 315-782-4705.**

All are welcome to attend the meetings to learn more about the Society's work & programs. If you are interested in becoming a member of the Society, annual membership fees, per individual, are as follows: Regular Membership: \$10.00; Sponsor Membership: \$20.00; Patron: \$30.00; Lifetime Membership: \$200.00. There is no membership fee for students. To join, send information and fee to the Dexter Historical Society, PO Box 231, Dexter, New York 13634.

If you would like to help us create a truly available Dexter Area Museum or would like more information about the Society, please contact the Society **President Carolyn Marlowe @ 315-782-4705 or [church314@twc.com](mailto:church314@twc.com).**

## **VILLAGE OF DEXTER NOTES OF INTEREST:**

To the residents of the Village of Dexter,

In 2016 the Village of Dexter underwent a multimillion-dollar sewer system upgrade. At that time Village residents were notified to have any and all discharge water that was being sent to the public sewer system rectified.

Per Village Code *Article VI Use of Public Sewers, 232-25. Drainage discharges*. It states "No person shall discharge or cause to be discharged any stormwater, surface water, groundwater, roof runoff, subsurface drainage, cooling water, or industrial process waters to the public sewer".

*Village of Dexter Sewer Code can be found on our website at [www.villageofdexterny.com](http://www.villageofdexterny.com)*

The Village is requesting inspections of the storm drainage discharges on all Village properties. The Village will begin enforcing removal of all "illegal" connections to the sanitary sewer system. The Dexter Code provides penalties at \$250 per day for the failure to comply with a notice to disconnect an illegal connection within 30 days. The Village expects there will be a high rate of voluntary compliance with this inspection program as the goal is to reduce sewer treatment plant costs, in turn keeping sewer rate increases to a minimum.

Any residence that is already in compliance or completes disconnection to the sanitary sewer is asked to please call the Village Office to set up an appointment for inspection with James Millington, Village of Dexter Code Enforcement. After being inspected documentation will be provided to the homeowner as well as being filed with the clerk in said residents file. Thank you for your time in the matter.

Respectfully,  
James R. Eves, Mayor

## **REMINDERS**

**Village office hours are 8:00am until 3:00pm Monday-Friday.**

The operation of Utility Terrain Vehicles is not permitted on Village roadways.

## **STATE OF EMERGENCY**

Due to the recent high-water levels and erosion of the riverbank soil we urge all residents to please use caution when on the water. There is also a NO WAKE ZONE from the Hydro Dams all the way to Lake Ontario until further notice.

**THE ZONING BOARD OF APPEALS** currently has two vacancies to fill. Four credits of annual training are required for members as well as Village of Dexter residency. The Village will pay for all training. Workshops are offered, usually in the evening, at JCC. Workshops cover up to date topics of interest to both the Planning and Zoning Board members. In March of each year the Tug Hill Commission, in conjunction with the Jefferson County Department of Planning and JCC offers a day long "Government Day." Classes are held throughout the day and 5 1/2 credits are given to each participant attending for the full day. This workshop gives members the required hours for the year and 1.5 hours to carry over into the next year. With the current Covid-19 pandemic many classes are being offered online through various organizations such as the Tug Hill Commission and Jefferson County Department of Planning. If you are interested in serving on the Zoning Board, please stop at the Village Office or call the office at 315-639-6260.

**WATER BILLS are mailed quarterly on or before January 10<sup>th</sup>, April 10<sup>th</sup>, July 10<sup>th</sup> and October 10<sup>th</sup>.** It is your responsibility to know when your bill is due, if you do not receive your water billing by the 16<sup>th</sup> of the month they are mailed out, please call the Village Office at 315-639-6260 for information on your billing. The full amount due must be paid before services will be reinstated.**
