Town of Brownville Water line to pillar point update: Aerator going in at the dexter water tower.

There is an excavator and pipes at the road where they will be starting the new water lines for pillar point.

Dexter Boat Launch Project met with Matt Kellar and Rob Campany yesterday. Took pictures of the sidewalks and ramp. We should hopefully be able to start the bidding for the project in the spring if all goes well.

Code Enforcer met with Mrs. Strader daughter Sara, they discussed mowing entire yard. getting another dumpster to haul away garbage. The work to be done on trailer is going to be done by fiancé. I have not seen anything as of yet. Nothing new for the Route 180 Cemetary Rd project.

BOARD DISCUSSION AND ACTION

Motion Trustee Stano second Stevenson allowing Village to send the unpaid village taxes to the County 11/1/20 for payment in April. Ayes 5 Mayor Eves, Trustees Stano, Nutting O'Connell, and Stevenson. Nays 0.

Board signed the form.

INFORMATION

Resident at Maynard Ave having gas installed. National Grid notified us on Friday in email about the dig of road for upcoming Tuesday. This was unacceptable as the village has to mark lines as needed, and the location was unacceptable. The Village needs to have an agreed upon site as to how and what will be done to the streets and or area owned by the village. We have several lines for sewer water under road in areas that would be not well suited. Through several calls and site visit and meeting with the right people doing the job an agreed upon site was accepted.

Fall Cleanup was much less in tonnage and smoother than spring.

Village will be closed Veterans Day Wednesday Nov. 11th, Election Day Nov 3, and Thanksgiving Day Nov 26th, and 27th.

ADJOURNMENT

Motion Trustee Stevenson second Trustee Nutting. Ayes 5 Mayor Eves, Trustees Stano, Nutting O'Connell, and Stevenson. Nays 0.
